Benefits:

- To be part of an international community with access to multiple opportunities that can contribute to your future career.
- Receiving full tutorial sessions before the start of your role to be familiar with your tasks and the program structure.
- Certificate of volunteering with our program.
- An opportunity to learn and teach.

- Gain a certificate of completion recognizing your contribution and skills developed.
- High amount of flexibility with our tasks and timings.

Key Responsibilities:

- The ambassador of Leaders of Tomorrow Digital Program in your country and assists in recruiting candidates for the 2026 program.
- Leading recruitment efforts in local high schools and community organizations.
- Primary contact for prospective applicants locally, and help to answer questions, concerns, and application-related issues for applicants and their parents.
- Participate in promotional webinars and social media lives to share experience about the program.
- Working collaboratively with the Program Manager, Program Officer, and Program Assistant.
- Submitting recruitment reports to the Program Officer.
- Supporting participants and facilitators during the program and maintaining the community engagement on discord during the program.

Requirements:

- A good proficiency in English (required).
- Well organized with strong communications skills.
- Alumna/us of Leaders of Tomorrow Digital Exchange Program (LOT) (MUST).
- Experienced in Office Suite (Word, Excel, PowerPoint, Outlook).
- Constant access to the internet during the week.
- 2-4 Hours' time availability during the week.

If you are interested in this position, please email your CV to this email lot@lotep.org with "Alumni Ambassador" in the subject. For further details please check our website <https://lotep.org> or send your questions to the email above.

Qualified candidates will be contacted for an interview.

The duration is fixed but the date could differ.

*Thanks, and Best
Regards, LOT Team
