

Voluntary Position – LOT 2026

Job Title:	STEAM Trainer	Position ID:	POS25STT01812
Duration:	8.5 months	Starting Date:	March/01/2026
		Ending Date:	Nov/15/2026
Location:	Remote	Type:	Voluntary (No-Payment)

Summary: We are seeking an English Language Instructor to fulfill our program requirements and facilitate the program activities, provide English training sessions to the students, and supervise different groups of students based on their English level following the timeline below and delivering monthly reports/evaluations on the students' status and attendance record.

About us: Leaders of Tomorrow Digital Exchange Program is a virtual exchange-program for international youth at the age of 14-17 (Teenagers) & 18-24 (Young Adults). We have over 200 alumni from more than 25 countries around the world and we aim to continue our mission to more people and countries by developing leadership and project management skills as well as an intense focus on global issues and improving their English Language throughout the 8 weeks online sessions program.

Program Dates:

- January 2026 – Management Training
- February 2026 – Applications Preparations & Bridge Fellows Training
- March 2026 – Applications Period Start & Staff Training 1
- April 2026 – Staff Training 2
- May 2026 - Applications Period End
- May – June 2026 – Applications Reviewing & Staff Training 3
- June 2026 - Interviews
- June - August 2026 - Sessions
- September - November 2026 – Evaluation & Networking events
- December 2026 – January 2027 – New staff selection

Benefits:

- To be part of an international community with access to multiple opportunities that can contribute to your future career.
- Receiving full tutorial sessions before the start of your role to be familiar with your tasks and the program structure.
- Private email linked with our domain to be used for official communication.
- An opportunity to learn and teach.
- Gain a certificate of completion recognizing your contribution and skills developed.
- High amount of flexibility with our tasks and timings.

Key Responsibilities:

- Develop and implement STEAM-focused educational content, including lesson plans, workshops, and project-based learning activities.
- Deliver online training sessions that inspire, educate, and motivate program participants in STEAM subjects.
- Assess participants' progress and adapt training methods to meet diverse learning needs.
- Collaborate with the program team to align STEAM sessions with the program's overall objectives and timelines.
- Support participants with hands-on projects and activities that foster teamwork and critical thinking.
- Develop and distribute resources and materials for program sessions.
- Assist in evaluating program outcomes and provide feedback to enhance STEAM training quality.
- Participate in marketing efforts by contributing STEAM-related content for outreach and engagement on social media platforms.
- Coordinate with other trainers and mentors to deliver a comprehensive and cohesive training experience.

Requirements:

- A strong background in one or more STEAM fields (Science, Technology, Engineering, Arts, Mathematics).
- Experience in teaching or training, particularly with youth and young adults (required).
- Proficiency in English (required).
- Ability to develop and deliver interactive, engaging virtual sessions.
- Excellent organizational skills and ability to manage multiple tasks effectively.
- Strong interpersonal skills and a collaborative spirit.
- Availability of 5-8 hours weekly and reliable internet access.

If you are interested in this position, please email your CV to this email lot@lotep.org with "STEAM Trainer" in the subject. For further details please check our website <https://lotep.org> or send your questions to the email above.

Qualified candidates will be contacted for an interview.
