Benefits:

- To be part of an international community with access to multiple opportunities that can contribute to your future career.
- Receiving full tutorial sessions before the start of your role to be familiar with your tasks and the program structure.
- Private email linked with our domain to be used for official communication.
- An opportunity to learn and teach.
- Gain a certificate of completion recognizing your contribution and skills developed.
- High amount of flexibility with our tasks and timings.

Key Responsibilities:

- Support team leadership in all aspects of program implementation to ensure timely and accurate completion of deliverables.
- Contribute to the production of program reports, materials, and content.
- Facilitate online/live sessions and webinars to promote the program for potential candidates.
- Managing social media platforms.
- Work with program partners and participants, including communicating program updates, answering questions, and assisting with logistics.
- Developing and tracking traditional and social media communications content as needed.
- Coordinating with the program graphic designers.

Requirements:

- Experience in (social) media communications (required).
- A good proficiency in English (required).
- Well organized with strong communications skills.
- Alumna/us of an exchange program (preferred).
- Experienced in Office Suite (Word, Excel, PowerPoint, Outlook).
- Team player with good interpersonal skills.
- Constant access to the internet during the week.
- 4-5 Hours time availability during the week.

If you are interested in this position, please email your CV to this email lot@lotep.org with "Social Media Coordinator" in the subject. For further details please check our website <https://lotep.org> or send your questions to the email above.
